City of Chandler

Building a
Better Chandler
One Neighborhood
at a Time

Mayor's Message

Neighborhoods are the lifeblood of any community, and that is certainly true here in Chandler. Though we have developed rapidly throughout the last decade, much of Chandler's residential landscape has flourished over time - 90-plus years since its humble beginnings in 1912.

With the diversity of our neighborhoods - each with its own character, charm and challenges - comes one common thread: sustainability. Consider the resources within these pages as your personal blueprint to a thriving, successful community.

We want you to take full advantage of the array of programs and services available to you and your neighbors. That is our purpose. And we hope you share in our commitment of building a better Chandler, one neighborhood at a time.

-- *Mayor Boyd W. Dunn*

Trash Collection Services

Free Bulk Trash Pickup

Residents paying for City provided refuse service are entitled to one free bulk materials pickup every six weeks. Bulk collection is classified as tree-trimmings, furniture, and mattresses. Items set out for bulk collection must be boxed and set in front of your house at the edge of your driveway, next to the sidewalk. To ensure service, bulk collection must be scheduled at least two days in advance, prior to setting materials out for pickup.

Please be courteous of others when disposing of large items in alley dumpster. Instead, schedule a bulk pickup at the curb by calling Solid Waste Services, at (480) 782-3510.

Trash Pickup

In compliance with State, County, and City regulations, all perishable waste must be placed in leak-proof plastic bags and secured. Doing so reduces health and environmental concerns for the breeding of flies and other pesky insects.

To ensure your curbside service is not interrupted, remember to do the following:

- ❖ Place container at curb the night before or by 6 a.m. on day of collection
- ❖ Place container in the street with wheels against the curb
- ❖ Do not place container near vehicles, poles or mail boxes

- ❖ Bag and tie perishable garbage in leak-proof plastic bags
- ❖ No large items protruding from the container. Lid should be closed.

Yard Waste & Organic Materials

Learn how to recycle yard waste and selected organic (food) waste at one of the City's Backyard Composting Workshops. Workshops are scheduled in the fall and spring.

For more information or to be notified when workshops are scheduled call Solid Waste Services, at (480) 782-3510.

Recycling Programs

Recycle in the Blue Can

Before hastily placing everything in the trash, please remember to use the blue can, too! When you do, your efforts don't go to waste. For a list of acceptable items you can recycle, contact Solid Waste Services, at **(480) 782-3510**.

Ask them to send you the Solid Waste and Recycling booklet, along with a FREE magnet!

Neighborhood Drop-off Sites

Solid Waste Services encourages the public to participate in Chandler's recycling programs. In support of the community's efforts to reduce waste, the City offers several neighborhood drop-off sites for residents to recycle.

For information and location of drop-off sites contact Solid Waste Services, at **(480) 782-3510**.

Household Hazardous Waste Disposal

Throwing household chemicals in your trash, down the drain, in a alley, on the curb or in a storm drain is dangerous and irresponsible. Leftovers properly labeled and stored, can be taken to the City's Household Hazardous Waste Collection Events.

For more information about household hazardous waste, or to be placed on the mailing list to be notified prior to the next event, call Solid Waste Services, at **(480) 782-3510**.

 Remember only rain belongs in the drain.

Chandler Police Crime Prevention

Neighborhood Block Watch

"Neighborhood Block Watch" is a community crime-prevention program. Knowing your neighbors is the best tool for fighting property crime. Together, neighbors can take an active role in their community by learning how to prevent and detect crime in their neighborhoods and take the necessary steps to make it safer.

If you are interested in organizing a "Neighborhood Block Watch" and need more information, please contact the Chandler Police Department, at (480) 782-4528.

Burglary

One of the most widespread and increasingly problematic crimes is that of residential burglary. There's no fail-proof way to stop a burglar, but every little bit of deterrence helps. Remember, crime prevention is a total community effort. Do your part in making Chandler a safer place to live.

The Chandler Police Crime Prevention Unit can demonstrate some relatively simple steps to greatly decrease the odds of a break-in. For more information contact Neighborhood Block Watch, at (480) 782-4528.

Auto Theft

Professional thieves can steal any car, but make them work for yours. To prevent thefts, the National Insurance Crime Bureau (NICB) recommends "Layered Protection." The more layers of protection on your vehicle, the more difficult it is to steal.

The number of layers your vehicle needs varies depending on your vehicle and geographic location. Your budget and personal preferences should determine which anti-theft device is best for you.

Please contact the Chandler Police Crime Prevention Unit to schedule an auto theft awareness program, at (480) 782-4521.

Code Compliance

Code Compliance

Code Compliance helps keep neighborhoods and commercial properties free from unsightly or hazardous conditions that are blighting and lead to further deterioration in our community. Neighborhood Services works to promote the health, safety and welfare of Chandler residents by employing enforcement of city codes, working with neighborhood groups, city departments, county and state agencies to solve problems.

Neighborhood Services receives numerous complaints. The following is a list of the most common complaints:

❖ **Parking on unimproved surfaces**

All parking surfaces must be a solid surface. Parking on the grass, dirt, or any type of rock does not meet code requirements.

❖ **Grass and weeds in excess of 6" in height**

All premises within the City must be maintained free of debris, litter, trash and weeds.

❖ **Fences and gates in disrepair**

Fence must be maintained to screen, protect, and secure the premises.

❖ **Right-of-way obstructions**

The public streets, sidewalks and alleyways, must have clear accessibility for all who wish to use them.

❖ **Green swimming pools**

Any body of water must be maintained and filtered to ensure water does not become stagnate and create a health issue.

❖ **Pet Waste**

Pet waste causes odors and should be picked up daily so odors don't dissipate into your neighbor's yards.

Complaints can be filed in person at the Chandler Police Department located at 250 E. *Chicago St.*, Monday through Friday between 8 a.m. and 5 p.m.; or you may leave a message 24-hours a day by contacting Neighborhood Services, at **(480) 782-4320**.

The procedure applies to roads classified as "local" or "collector" streets where the predominant land use along the street is residential and where the majority of homes front on the street.
